

RODRÍGUEZ SILVERO & ASOCIADOS

CONSULTORES INTERDISCIPLINARIOS EN ASUNTOS  
ADMINISTRATIVOS, CONTABLES, FINANCIEROS,  
ECONÓMICOS, LEGALES Y TRIBUTARIOS

Dr. Ricardo Rodríguez Silvero specializes in investments and taxes, sustainable development and international economic integration as well as in public policies related to these themes. He works with associates in Mercosur (trading block of South American countries), the European Union, Germany and the USA.

He has been advisor to the Executive, Legislative and Judicial Branches of government in Paraguay since 1989 as well as to the binational (Paraguay-Brazil) entity Itaipu for hydroelectric production, one of the world's biggest, in 1990/91 and again since 2019; director and owner of a consultancy firm on business formalization versus legalization since 1984; analyst and investigator dealing with Economics and Social Sciences for local and international institutions. Since 2018 he is director of the Institute for the Development of Thought (IDPPS), a think-tank in Paraguay, working in Association with the Heritage Foundation in Washington DC.

He has published several books and articles in specialized magazines related to above mentioned issues in the Americas and Europe. He also publishes regularly columns in local and international newspapers on them.

He has a Ph.D. in Economic and Social Sciences from the University of Bremen, Germany, (*Doktor summa cum laude*) and completed graduate studies at Universities in Europe and Paraguay as well as research on socioeconomic issues. He has taken study trips and given sporadic lectures at US Universities as a visiting expert.
